

Easter Trail on The Mead

Look for 20 decorated eggs around the area marked on the map

Our Easter Egg trail this year is on 'April Fools' Day' - so open the flap on each egg to find the number and something about Easter that could either be TRUE or FALSE (an April Fool).

Write TRUE or FALSE against the egg number in the box below, and write the correct letter next to it. (Each egg will give you a choice of 2 letters - one for TRUE and one for FALSE.)

When you've found all the eggs, work out the hidden Easter message. Come and find us in The Red Admiral to claim your chocolate prize when you've finished! We can also help you!
